

# 2010 Formula 1 Grand Prix

The 2010 Formula 1 Australian Grand Prix is the country's premier motor sporting event from 25th - 28th March and offers an action-packed extravaganza of on-track and off-track activities for people of all ages to enjoy.

For some people, it's just about the cars, an annual pilgrimage to witness the best motor sport this country has to offer. Others come out of curiosity to discover what all of the fuss (and noise!) is about. Some come for business reasons, many just for the fun. By the end of it, they all have something in common: a unique experience in Albert Park which will remain with them forever.

For a more relaxed pace why not sit back and enjoy a wine tour to one of Victoria's principal wine regions. Enjoy a full day of tasting premium wines, fabulous food and taking in the magnificent countryside Victoria has to offer.

## Pricing Increase

As part of our annual review and increase to costs we advise the retail rate for our tours as at **1st April 2010**:
